11th Annual Sheriff's Ball

On April 1st, River Landing once again participated in the Duplin County Sheriff's Ball, serving as the presenting sponsor for the event. The Sheriff's Ball, now in its 11th year, raises funds for the Duplin Foundation for Youth Advancement, which supports the youth of the county. The night was filled with delicious food from our culinary staff at the Clubhouse, live and silent auctions, and live music.

River Landing residents participated in this year's events as well! David White served as the event photographer, while others volunteered with the Sheriff's Ball, selling raffle tickets, directing guests, and more. As always, it is an honor to serve our community by participating in events such as these, and we are thrilled to have helped in raising money for the youth of Duplin County!

2017 RIVER LANDING LOCAL RULES

OUT OF BOUNDS

OB is defined by the inside point, at ground level, of solid white wooden stakes 2"x2". A ball that comes to rest on, or crosses a residential or paved road (even if it comes to rest on another part of the golf course) is deemed out of bounds.

WASTE AREAS

Waste areas located on the right side of Holes #10 and #14 of the Landing course are not hazards.

STONES IN BUNKERS

Stones in bunkers are movable obstructions (Rule 21-1 applies).

IMMOVABLE OBSTRUCTION CLOSE TO PUTTING GREEN

Any sprinkler head within two (2) club lengths of the putting surface and within two (2) club lengths of the ball (not in a hazard) is deemed to be an immovable obstruction and the player is entitled to relief as provided under Rule 24-2. In addition, if the sprinkler head intervenes on the line of play, the player may also take relief. If the ball lies through the green, the player must lift the ball and drop it, without penalty, within one club-length of and not nearer the hole than the nearest point of relief. The nearest point of relief must not be in a hazard or on a putting green. When the ball is dropped within one club-length of the nearest point of relief, the ball must first strike a part of the course at a spot that avoids interference by the immovable obstruction and is not in a hazard and not on a putting green.

SEAMS OF CUT TURF

Through the green, seams of cut turf (not the turf itself) are deemed to be ground under repair. However, interference by a seam with a player's stance is deemed not to be, of itself, interference under Rule 25-1. If the ball lies in or touches the seam or the seam interferes with the area of the intended swing, relief is available under Rule 25-1. All seams within the cut turf area are considered the same seam.

EMBEDDED BALL

Through the green, a ball embedded in its own pitch-mark may be lifted, cleaned, and dropped as near as possible to the spot where it lay, but not nearer the hole. The ball, when dropped, must first strike a part of the course through the green.

Exceptions:

- A player may not take relief under this Local Rule if the ball is embedded in sand in an area that is not closely mown.
- A player may not take relief under this Local rule if it is clearly unreasonable for him to make a stroke because of interference by anything other than the condition covered by this Local Rule.

DOUBT AS TO PROCEDURE

In stroke play, if a competitor is doubtful of his rights or the correct procedure during the play of a hole, he may, without penalty, complete the hole with two balls. After the doubtful situation has arisen and before taking further action, the competitor must announce to his marker or fellow-competitor that he intends to play two balls and which ball he wishes to count if the Rules permit. The competitor must report the facts of the situation to the committee before returning his score card. If he fails to do so, he is disqualified.

DISTANCE MEASURING DEVICES

A player may obtain distance information by using a device that measures distance only. If, during a stipulated round, a player uses a distance-measuring device that is designed to gauge or measure other conditions that might affect his play (e.g., gradient, wind speed, temperature, etc.), the player is in breach of Rule 14-3, for which the penalty is disqualification, regardless of whether any such additional function is actually used.

BALL AT REST MOVED (ON PUTTING GREEN)

Rules 18-2, 18-3 and 20-1 are modified as follows:

When a player's ball lies on the putting green, there is no penalty if the ball or ball-marker is accidentally moved by the player, his partner, his opponent, or any of their caddies or equipment.

The moved ball or ball-marker must be replaced as provided in Rules 18-2, 18-3 and 20-1.

This Local Rule applies only when the player's ball or ball-marker lies on the putting green and any movement is accidental.

Note: If it is determined that a player's ball on the putting green was moved as a result of wind, water or some other natural cause such as the effects of gravity, the ball must be played as it lies from its new location. A ball-marker moved in such circumstances is replaced.

CLUB DEFIBRILLATORS

We wanted the membership to know in case of an emergency, we have (2) defibrillators on property. The defibrillator in the Clubhouse is located in the wait station beside the River Room. The second is located at the Fitness Center, just outside the Cardio Room. We certainly hope we never need them, but it is important for everyone to know in case the need should arise.

HOLES-N-ONE

Reminiscing back into December, we had two holes-n-one in back-to-back days. The first was on the 7th and our very own Brandon Hendrickson aced #11L from 158 yards with a 9-iron. We are moving Brandon back to the Gold Tees now! The second was on the 8th and Wayne Weller aced #10R from 125 yards using his trusty 8-iron. And the most recent "1" was Ken Smith on February 18th holing out from the tee on #6R from 148 yards using his 6-iron. This was Kens' Fourth career hole-n-one and third here at River Landing.

REMINDERS

Golf Cart Pairing Up – Are you one of the many groups who need 3 carts for 3 or 4 players? Please pair up when leaving the 1st Tee and make sure there are 2 riders in each cart. It is careless and adds age to our cart fleet if you don't!

Golf Shop Vendors – Please know that just because you don't see it in the golf shop doesn't mean we can't order it! We can compete and usually offer a better price on new products than most golf stores. Please ask a member of the golf staff for a price if you don't see it in the golf shop.

Golf Course Cart Towels – Please, Please, Please return any cart towels you may have accidentally taken home or left in your vehicle.

Safety First – Please wait for the golfers ahead of you to clear the landing area before you hit your next shot. It only takes one errant shot to change our community. Are you really impatient enough to jeopardize someone's life? If you are, think about someone doing the same thing to your spouse, child or best friend. It's just a game!

Practice Range Mats – When the balls are set to hit on the range mats, please only hit on the mats. They are intended to protect and prolong the natural grass tee for all golfers.

Cigarette Butts & Trash – Please keep River Landing Green & Clean “No butts about it!” We would like to inform all smokers that we do have ashtrays for golf carts so please ask the staff for one and help us keep our golf courses free of butts!!!

Decorative Grasses – Please do not drive golf carts or push carts through the decorative grasses. There should never be any vehicles in the grass. This will not be tolerated.

Back Driving Range - Please keep golf cart traffic limited to the cart path or beside the south practice tee. Our maintenance staff is trying to improve and beautify our practice area and the traffic elimination will help substantially.

RLMGA 2017

**“WHERE RIVER LANDING MEN MEET TO SHARE
A LAUGH, A BEER, AND SOME GOLF.”**

RLMGA 2017: Another season has begun. We kicked off the 2017 season with a breakfast buffet and a shotgun start on March 18th. We started Tuesday and Thursday Play Days on March 21st. We are hoping to hold seven tournaments throughout the year: Opening Day (3/18); Spring Classic (4/15); Young Bucks/Old Goats (5/6); Summer Classic (7/15); North vs. South (9/16); Village Cup (10/14); and Closing Day (11/18). Of course, we will sprinkle in a few road trips to keep everything interesting.

There have been a few minor adjustments in procedures: The deadline for signing up for *Saturday tournaments* will be **1pm the day before (Friday)**. The deadline for signing up for *play days* will be Noon the day before - **Noon Monday for Tuesday play and Noon Wednesday for Thursday play**. The pros will be making the pairings by 12:30pm and the Tournament Director (TD) will be checking them at about 3pm. They will go on the web after the TD has checked them.

We are heading into this season with at least 9 new members and many returning members. We will again have an opportunity to reinforce our RLMGA slogan. **“Where River Landing men meet to share a laugh, a beer, and some golf.”**

KEEPING IT LIGHT

Come and join us as the adventure starts again with our 2017 season. Remember - you can't win if you don't play!

See you on the course,

Away

The RLGALS participate in other ladies golfing groups, including Coastal Seniors, Tar Heels, Sandpipers and Interclub. The Coastal Seniors have already had their first match, at Pearl East on March 8. The River Landing ladies had quite a few winners that day, including Carol Romanet, Sheila Bertold, Suzie Zalar, Kathy Russell, Cheryl Partyka, Sandra Phillips, Diane Brostowin, Lynn Thompson and Jackie Sickels. Way to go, ladies!

.....

While we do enjoy talking about prizes, we're all winners because we have a great bunch of ladies who are out to have fun and to know each other better. If we can do that AND play better golf, what could be better???

Many thanks to all who make our golfing and social experience better: everyone in the Pro Shop, our cart "boys," our hospitality staff, and our golf course maintenance team. Special thanks this time to Briana, Larry, Chef Ben, Julius and Tabatha for making this event special.

See you on the tee!
