REMINDERS

Golf Cart Pairing Up – You must pair up when leaving the 1st Tee and make sure there are 2 riders in each cart. If you do not, it is careless and adds age to our cart fleet!

Practice Range Mats – When the balls are set to hit on the range mats, you must only hit on the mats. They are intended to protect and prolong the natural grass tee for all golfers.

Back Driving Range - Please keep golf cart traffic limited to the cart path or beside the south practice tee. Our maintenance staff is trying to improve and beautify our practice area and the traffic elimination will help substantially.

Native Grasses & No Mow Areas – You must not drive golf carts or push carts through the native areas. There should never be any vehicles in the grass; this will not be tolerated.

Safety First – Please wait for the golfers ahead of you to clear the landing area before you hit your next shot. It only takes one errant shot to change our community. Are you really impatient enough to jeopardize someone's life? If you are, think about someone doing the same thing to your spouse, child or best friend. It's just a game!

Golf Shop Vendors – Please know just because you don't see it in the golf shop doesn't mean we can't order it! We can compete and usually offer a better price on new product than most golf stores. Please ask a member of the golf staff for a price if you don't see it in the golf shop.

Golf Course Cart Towels – Please, please, please return any cart towels you may have accidentally taken home or left in your vehicles.

Cigarette Butts & Trash – Please keep River Landing Green & Clean: "No butts about it!" We would like to inform all smokers we do have ashtrays for golf carts, so please ask the staff for one and help us keep our golf courses free of butts!!!

GOLF PRO'S CORNER

CLYDE JOHNSTON INDUCTED INTO THE LOW COUNTRY HALL OF FAME

On Saturday March 24th, our own golf course architect Mr. Clyde Johnston, a Hilton Head, SC resident, was inducted into the Low Country Hall of Fame in a well-deserved ceremony. Clyde came from a family that loved golf as his father was the golf coach at Wake Forest College (before it became a university), his sister played on the LPGA for many years, and everyone played and loved the game. I've known Clyde for over 20 years now as his sister and I worked together on a fundraising tournament for The United Cerebral Palsy, that he and his family participated in every year without exception. Clyde loves River Landing, still takes pride in calling our courses his best designs, and plans to visit again this summer. During his induction speech, Clyde told two very interesting stories of which most people are unaware.

In the first story, Clyde told how his father dabbled in golf course design but only from a volunteer standpoint. He offered Clyde the opportunity to sit at his drafting table at a very early age and, after seeing his son's wonder and understanding of golf course design, made the comment "you know, you could make a living at this." Later he realized his dad knew exactly what he was doing but Clyde was still willing to share the second story to possibly discount the first.

While coaching for Wake Forest, his father had recruited and offered a scholarship to Buddy Worsham, one of the better high school players in the nation. Buddy was willing to accept the scholarship under one condition, that Coach Johnston would extend a scholarship to one of his close high school friends from Pennsylvania. It went against his better judgement but the coach wanted Worsham so badly he relented and offered the young man his last scholarship. The young man's name: Arnold Palmer!

If you have the chance to discuss golf course design or the game of golf with Clyde, you will see the glimmer in his eye and you will understand why this well-respected gentleman was inducted into the Low Country Hall of Fame. Golf runs through his veins like blood!

-Larry George

HOLES-IN-ONE

Congratulations to **Randy Weston** who started his year off with a Hole-in-One on February 20th. He aced #5L from 127 yards using his 9-iron.

One week later on February 27th, **Jim Candido** aced #8L from 156 yards using his 7-wood into the north wind for his first career hole-in-one.

On April 12th double trouble on #5L with **Ed Dillard** making his 8th career hole-in-one using his 8-iron from 145 yards and **Carolyn Bruggeman** making her first from 108 yards using her 7-wood.

Rich Peters made his hole-in-one 12 years after his last one. On April 28th he aced #5L from 133 yards using his 6-hybrid.

Last but not least, **Rob Flowers** aced #3R on May 4th from 129 yards using his magical 6-iron. Great shots by all!!!

2018 RIVER LANDING MEMBER-MEMBER

During another exciting River Landing Member-Member, first-time champions emerged out of a packed leaderboard with a one stroke victory! The 2018 Champions **Shelley Moorefield** and **Cheryl Stamp** squeaked out their victory over 15 teams within 5 shots. Sunday's Modified Alternate Shot always presents the opportunity for a playoff, as well as exciting stories at the scoreboard and Awards Dinner, and this year was no exception. Thank you to all who participated in this year's event and congratulations to our winners!

RIVER LANDING GOLF ASSOCIATION FOR LADIES

The RLGALS are off to an exciting start in 2018. This year we have a total of 158 members, including 18 and 9 hole ladies' groups, as well as social members. The group participates in a numbers of events both here in River Landing and at other clubs in the area. This year we will be playing in competitions such as Interclub, Coastal Senior Womens, Tar Heel Ladies and Sandpipers. We also hosted the exciting RLGALS Invitational May 23rd and 24th, and will be hosting the Swing For the Cure in the fall. Our first event of the season was our Opening Day Tournament and Luncheon on March 10th. The weather cooperated and everyone had a great time. The winners were:

Flight 1 – Shelley Moorefield, Doris Miller, Susan Merrill and Daisy Bailey

RLGALS " BEACH PAR-TEE" INVITATIONAL WRAP-UP

River Landing's ladies golf association held its 7th Annual Golf Invitational on May 24th at River Landing in Wallace. Forty-nine golf clubs were represented by 176 ladies from 7 states that day and the theme was "Beach Par-Tee." Bill Carone Chevrolet, GMC, Buick, Ford Dealership in Wallace sponsored the tournament's Hole-in-One contest and beverages were supplied by Garry Moorefield with Southeastern Water Conditioning from Magnolia. Door prizes were donated by River Landing, Duplin Winery in Rose Hill, and Lori's Golf Shoppe in Calabash. The next golf invitational is scheduled for Thursday, May 30, 2019.

HELPING HANDS

OF  RIVER LANDING

A small group of volunteers who live in River Landing would like to help our neighbors with odd jobs that, for various health or mobility reasons, our residents cannot accomplish on their own. There will be no charge for labor. Parts needed to complete the job will be charged at cost. Only projects that should take less than two hours will be considered.

EXAMPLES OF JOBS:

- Sticking door or cabinet door
- Lock not working properly
- Commode running; needs new parts in tank
- Light bulb change that cannot be easily reached
- Closet shelving repair
- Furniture to be hauled to the dump
- Garbage disposal check for proper operation
- Flat tires on car or golf cart
- Many more...

**If you are in need of a
Helping Hand volunteer,
please call Steve Godwin:
910.665.1321**

We currently have a small group of volunteers who wish to assist their neighbors in need. If you would like to be a Helping Hand volunteer, please call Steve at the number above.

RIVER LANDING MEN'S GOLF ASSOCIATION

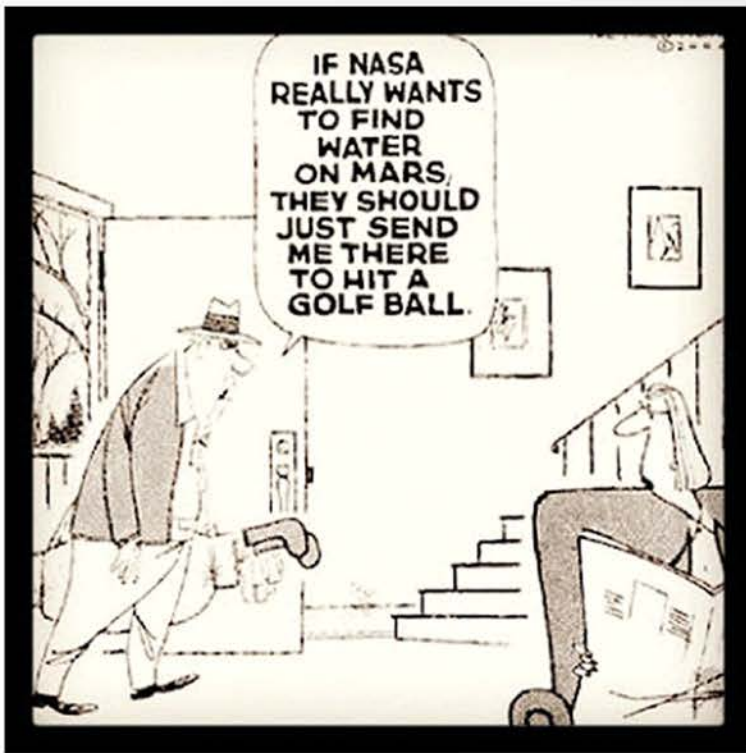

"Where River Landing Men meet to share a laugh, a beer, and some golf."

Wow! We have started the 2018 RLMGA Season with style! We kicked off the season with our Breakfast Shamble Tournament – 98 Players and \$491 in prize money. After this, we started our Tuesday and Thursday Play Days. We have had 7 Tuesday Play Days with an average of 57 players each time. For Thursday Play Days we played 8 times averaging 38 players per play day. In those 8 weeks we had only one rainout – the golf gods are smiling on RLMGA – so far. To add more fun to the mix we managed to have our Spring Classic Tournament on time and had our first road trip to White Lake.

The upcoming 3 months are sure to be just as challenging: we have planned to have two of our tournaments (Village Cup – May 19th, Summer Classic – July 14th) and at least one road trip to Emerald Golf Club in New Bern on May 24th. Now just to keep all the guys out from under their wives' feet we have 20 Tuesday/Thursday Play Days.

KEEPING IT LIGHT:

Words of Wisdom: *Truisms to ponder as you walk up to hit your next shot in your round of golf.*

Golf: you hit down to make the ball go up. You swing left and the ball goes right. The lowest score wins, on top of that, the winner buys the drinks.

Golf's a hard game to figure. One day you'll go out and slice it and shank it, hit into all the traps and miss every green. The next day you go out and for no reason at all your game really stinks!

A 'gimme' can best be defined as an agreement between two golfers.... neither of whom can putt very well.

Golf: if you find you do not mind playing in the rain, snow, even during a hurricane, here's a valuable tip... your life is in trouble! And If your best shots are the practice swing and the 'gimme putt', you might wish to reconsider this game.

Come and join us as the adventure continues with our 2018 season. Remember - You can't win if you don't play!

See you on the course,
Gary Wintrode
RLMGA Secretary

Cooking Classes

From the omelette class in January, to the recent gnocchi class in April, the Clubhouse's new cooking class series has been a huge hit! We hope you will join us for more classes in the future. We will notify you when the next class sign up becomes available.

Golden Oldies

The Golden Oldies Dinner celebrates those couples who have been married 50+ years. It is always a memorable and fun evening. The event was held on April 4, 2018 in our River Room with several couples celebrating over half a century together. Thank you to Hank Frey and Pat Schaeffer for hosting the event.

Rose's Spectacular 75th

This moment was captured during Rose Dumas' 75th Birthday Celebration in the River Room at the Clubhouse. As described by one of our members, this picture, among many others, is "a good indication of the friendliness of the RL community with Rose's friends gathering for a special birthday." Present for the celebration was: Ted Dumas, the Bertoldis, the Romanets, the Braks, the Zalars, the Seybolds, the Carvers, Jim Harless, and Linda Guglieimi.

The Cruisers Ride Again

The River Landing Cruisers embarked on their first spring ride on Saturday, April 28 at 9am. Fifteen bikers came out and cruised 12 beautiful miles on the property, including the Vineyards. Way to go cruisers!

REAL ESTATE UPDATE

As River Landing continues its partnership with Intracoastal Realty into 2018, we are proud of the progress we are making together. The Keith Beatty team at Intracoastal is committed to introducing new property owners to our wonderful community, and to helping make the transition easier for those who find it necessary to leave. Broker-in-Charge Keith Suttle and Broker Associate Brandon Hendrickson have devoted their efforts to working on behalf of both buyers and sellers in River Landing. You can find them at the Welcome Center, so feel free to stop on by!

RIVER LANDING SUPPORTS HABITAT FOR HUMANITY

River Landing residents have been supporting Habitat for Humanity for many years. In 2017 the Habitat for Humanity of Duplin County affiliate merged with Cape Fear Habitat for Humanity – located in Wilmington and supporting New Hanover, Pender, and now Duplin Counties. By merging the two affiliates we are able to leverage the considerable resources (including a well-qualified paid staff) of the Cape Fear affiliate. The Cape Fear affiliate builds about 12 new homes per year and this merger will support building homes in Duplin County more frequently. Most (but not all) of the volunteers from Duplin County live in River Landing. The plan is to build the next home in Wallace in 2019. In addition to the planned home in Wallace, a home was recently completed in Burgaw with plans for a second home next door in the near future.

Candidates for homes are carefully screened based on income, genuine need and their willingness to become a productive partner in the Habitat program. Currently only about 35% of the applicants are found to be eligible for a home. Selected candidates must perform at least 250 hours of sweat equity in support of home building or other supporting tasks for Habitat. Those selected all participate in an in-depth training program to teach them the responsibilities of home ownership and to empower them to take charge of their new home obligations. Homes are sold to the candidates based on the assessed value of the home, and the new homeowner is responsible for the mortgage payments, taxes and insurance. This program offers a hand up (not a hand out) to deserving candidates who would otherwise be unable to obtain their own mortgage to get them into affordable housing.

We welcome volunteers to participate in this program. No special skills or tools are needed to participate, just a willingness to help out where you can. All of the tools and equipment are provided, and a paid site supervisor is on site to oversee the work and provide training and advice to the men and women volunteers. Typically the volunteer work days are Wednesdays, Thursdays, and Saturdays, but most of the volunteers work on Wednesdays, with work hours from 8 AM until Noon. Car pools are organized to provide transportation to the work sites as desired. Dean Hanson has been coordinating the volunteers by sending information out on e-mail to identify who will be participating and who is willing to drive. If you have not been involved in this very worthwhile charity, and are interested in participating, or have any questions, please contact Gary Davis (davisg6664@charter.net; 285-6968) or Dean Hanson (drhcrou@hotmail.com)
