

LANDINGS

RIVER LANDING E-NEWSLETTER | SUMMER 2019

THE VILLAGE AT
RIVER LANDING

GOLF PRO'S CORNER

2019 RIVER LANDING CLUB CHAMPIONSHIP

The weather was perfect for our first round Saturday being played on the Landing Course, but the rain poured on our final round Sunday. The competitors completed their final round of the 36-hole stroke play competition on the River Course on Labor Day Monday and there were many stories and more laughter around the scoreboard than on the golf course. When the tournament was over there were two champions crowned. **Maureen McCarthy** won her 6th River Landing Women's Club Championship, the first dating back to 2008 and finishing in 2nd place was **Cathy Harless**. **Alex Stephens** won his first River Landing Men's Club Championship and 2nd place went to **Kevin Elder**. Congratulations to all of our competitors for braving the weather and taking a chance to win the River Landing Club Championship!

Congratulations to our 2019 River Landing Club Champions:
LADIES CLUB CHAMPION: MAUREEN MCCARTHY
MEN'S CLUB CHAMPION: ALEX STEPHENS

BATTLE OF THE SEXES

The women won the inaugural event in 2014 but the men have been victorious the past 4 years. Well 2019 put a awkward stop to the men's streak and the ladies found themselves at the top of the leaderboard. The weather was perfect and apparently the Stableford format being played and taking the average of the sides kept the score close to the very end. The Women's average of 23.75 bested the Men's average of 20.4 and now the overall score is 4 victories to 2 victories. **Donna Samper** and **Richard Russell** captured the Closest to the Pins and we would like to congratulate all who participated to make this event a fun & exciting tournament.

REMINDERS

Golf Cart Pairing Up - You must pair up when leaving the 1st Tee and make sure there are 2 riders in each cart. If you don't, it is careless and adds age to our cart fleet!

Practice Range Mats - When the balls are set to hit on the range mats, you must only hit on the mats. They are intended to protect and prolong the natural grass tee for all golfers.

Back Driving Range - Please keep golf cart traffic limited to the cart path or beside the south practice tee. Our maintenance staff is trying to improve and beautify our practice area and the traffic elimination will help substantially.

Native Grasses & No Mow Areas - You must not drive golf carts or push carts through the native areas. There should never be any vehicles in the grass; this will not be tolerated.

Safety First - Please wait for the golfers ahead of you to clear the landing area before you hit your next shot. It only takes one errant shot to change our community. Are you really impatient enough to jeopardize someone's life? If you are, think about someone doing the same thing to your spouse, child or best friend. It's just a game!

Golf Shop Vendors - Please know that just because you don't see it in the golf shop doesn't mean we can't order it! We can compete with, and usually offer a better price on, new products than most golf stores. Please ask a member of the golf staff for a price if you don't see it in the golf shop.

Golf Course Cart Towels - Please, please, please return any cart towels you may have accidentally taken home or left in your vehicles.

Cigarette Butts & Trash - Please keep River Landing Green & Clean: "No butts about it!" We would like to inform all smokers we do have ashtrays for golf carts so please ask the staff for one and help us keep our golf courses free of butts!

HOLES-N-ONE

There certainly have been quite a few hole-n-ones lately, 8 to be exact, and we would like to congratulate all of them.

Sheila Bertoldi for her ace on #11 of the Landing Course on June 12th. She used her 7-wood from 132 yards to make her 6th hole-n-one!

On June 29th, **Ron Jarman** aced #6 on the River Course using his 8-iron from 127 yards.

The following day, **Kevin Elder** used his 7-iron to navigate the 159 yards on #16L to make his "1".

On July 17th **Barry Kane** made his first hole-n-one on the same hole, #16L using his 5-iron from 141 yards.

On July 27th, **Lenny Ward** aced #6R using his 8-iron from 128 yards to make his first hole-n-one.

Touché, the following day **Charlie Biernetsky** holed his tee shot on #6R from 130 yards with his 8-iron to make his first ever hole-n-one!

Another first was **Joe Ingle** hitting an 8-iron from 177 yards to ace #3R.

Last but not least was another newbie on August 25th, **Joe Elko** who aced #6R from 127 yards using his 8-iron.

Wow, what a list, congratulations to all for making your aces!

-Larry George

RIVER LANDING MEN'S GOLF ASSOCIATION

“Where River Landing Men meet to share a laugh, a beer, and some golf.”

The 2019 season has continued in the 2nd quarter (June – August) with some good weather supporting a lot of good golf days, albeit, several that were VERY hot! The rain has stayed away for the most part as we all know that are living through this drought. We have had 3 tournaments since the last update: The Spring Classic, Summer Classic and Captain's Match. The Captains Match is a new format this year consisting of two large teams captained by the pros Justin and Jeff.

Jeff's team won this year, so we're sure Justin will be looking for revenge next year! These tournaments attracted 65, 59 and 45 players respectively, and each paid out the budgeted \$500 to the field. Each tournament was followed by some good meals; and we're receiving favorable comments regarding improved quality of the tournament food provided.

Membership is up slightly with a total of 112 players, and we continue to average around 40 per play day. Also on July 23rd, the first half "Pot-o-Gold" was held with 52 participants, including a few that "bought – in" to play, who were short of the required 8 days minimum. The first pot of gold consisted of 1157 "player-days" over 33 dates for an average of 35 players per date.

As is the custom each year, when the RL courses are both unavailable for one of the Play Days, we go to an offsite course to play. Those that participate generally have a great time, and, it's fun to try different courses in the area. The away trips for 2019 are coordinated by Randy Weston, who writes:

“Our first trip was April 18 to Cutter Creek, a beautiful day on a nice course, always one of our favorite trips. Next year we are working on having the brewery in Kinston opened early for us, that way we can grab some suds on our way home. The second trip was to Timberlake, on May 23rd. Rick Zeranski stepped in while I was away and did a great job on site. This trip was followed by a great meal at Alfredo's in Clinton. Don't forget our next away trip is in a few weeks, September 17, Duplin GC in Kenansville. It's a short trip on a much improved course and for only \$25. The last trip of the year is scheduled for October 8th. We will be finalizing plans for the final trip of the year shortly.”

Some notably good golf has continued since the last update. **Dick White** scored an amazing 68. According to our sage, Bob Miller, this is the lowest score ever posted for an RLMGA play day event! Also, **Harry MacLaughlin** scored his personal best with a 76 on the River.

Since the last update, three ACES have been reported by **Ed Schulz, Charlie Biernetzky, and Joe Elko**. And 6 more players have posted 7 EAGLES: **Dice West, Clyde Morton, Jim Harless (2), Tom Castellino, John Nemeth, and Lenny Ward**.

Our tournament director, Bob Miller has been providing us with some excellent play day formats that most are reporting very favorably. These include some unique team games, creative fun days, and even a couple of individual games that offer nice opportunities for better competition.

Based on prior years, the RLMGA would like to see even more participation on Play Days, particularly Thursdays, and we are eager to receive any comments or suggestions from the members of ways to improve participation.

KEEPING IT LIGHT:

“Golf can best be defined as an endless series of tragedies obscured by the occasional miracle, followed by a good bottle of beer.”

RIVER LANDING GOLF ASSOCIATION FOR LADIES

The RLGALS Match Play event ran from April through August followed by play-offs in September between the flight winners.

9 Hole Flight Winners:

Flight 1: Alexander/Jaco
Flight 2: Grady/Weston

18 Hole Flight Winners:

Flight 1: Fiala/Masinick
Flight 2: Dlugolecki/Maggio

Match Play 18 Hole Flight Winners

A five-hole play-off match between the winners of each flight was held on the Landing course to determine the Winners.

9 Hole winners:

FRAN GRADY
SALLY WESTON

18 Hole winners:

JACKIE FIALA
ELAINE MASINIK

A final celebration dinner was held on September 11th at the River Landing clubhouse. All players received a souvenir ball marker and prize money was handed out to the four Flight winners.

A big thank you goes to Donna Samper, 18 Hole Coordinator, and Maureen Goodwin, 9 Hole Coordinator who organized the Match Play season and celebration dinner!

Match Play is a fun event and we hope to have more participants in 2020!

-Jackie Fiala
President, RLGALS

RLGALS

SWING

FOR THE CURE

This year's Swing golf registrations, hole sponsorships, ball drop ticket sales and bingo reservations are in full "swing"! About 750 tickets have been sold for the ball drop and our bingo is at over 20 tables! Golf registrations are coming in slowly (12 teams at present) and hole sponsorships are beginning to come in. We have opened up the golf tournament to some of our outside groups, so please sign up soon if you plan to be playing. Registration forms have been emailed and are also available in our ladies locker room. Look for information soon on this year's raffle, as well as silent auction. We will also be looking for a few volunteers to assist at golf, lunch and bingo and appreciate the help as always. Thank you in advance for all of your support. Our team is so looking forward to this weekend of events and giving cancer the boot and supporting the local community and Vidant Cancer Care!

-Cathy Harless
Swing for the Cure Chair

SWING FOR THE CURE TOURNAMENT

OCTOBER 19TH | 9:30AM
Registration deadline is October 12th!

BALL DROP

OCTOBER 20TH | 5PM

RODEO BINGO

OCTOBER 20TH | 6PM

Information is included in River Landing's 'Glance Ahead' email sent to Members & Residents every Friday, as well as on our Community Calendar on our website.

WALLACE COMMUNITY EVENT:
"BIG BAND AT THE DEPOT"
FRIDAY, OCTOBER 25TH, 2019 | 6PM - 8PM
WALLACE TRAIN DEPOT | RAILROAD STREET, WALLACE NC

Save the date and get ready for an evening full of
big band entertainment!

THE ONSLOW JAZZ BIG BAND
PERFORMING AT THE WALLACE TRAIN DEPOT

*Sponsored by the Wallace-Rose Hill Friends of the Arts

SUMMER SPEAKER SERIES RECAP

SPONSORED BY RIVER LANDING CUSTOM HOME PROGRAM

"It isn't so much about the watering of a plant. It is about the mulch." David Johnson of Gardens Direct wasn't positioning himself to reveal the secrets behind Area 51. In fact, as founder of Gardens Direct, Johnson was just responding to a question asked by one of the audience members as part of the Custom Home Program's 'Summer Speaker Series', featuring our Allied Business Partners.

It was a eureka moment for many though as David and his son Chason continued on, talking about indigenous landscape in River Landing. It would be one of several moments over the summer that some of the Allied Partners would have to speak directly to the River Landing community. And what a community it is!

Comprised of current and former doctors, lawyers, engineers, educators, researchers, and military personnel, the neighborhoods of River Landing are full of people who enjoy learning and exposing themselves to emerging technologies and foundational businesses throughout the county.

On June 6 in the Members Room of the Fitness Center, David Johnson and Chason Johnson entertained a room of RL residents with a number of ideas that will help our landscapes and perception

of patio planting.

June 20th saw Joe Blanchard - River Landing resident and owner of Rich's Heating and Air - talking about ways to monitor your HVAC system more effectively and how his business is becoming more heavily involved in geothermal energy and smart home technology.

Carlton Insurance agent Vonda Norris stood before a group of homeowners on July 11th to talk about insurance liability and how to use online forms to explore your options more! With each session followed up by coffee/tea and finger deserts, the entire series was an enjoyable one.

River Landing is truly fortunate in that our Allied Partners program is one of the most robust and diverse groups in recent memory. Their skills and knowledge should not be limited to just property owners who are starting the building process. They should be able to present to non-resident and resident property owners alike, and with a program such as the 'Summer Speaker Series', we are sure they will!

Keep checking your email from River Landing to receive the calendar events of our autumn offerings. There are sure to be some enjoyable ones.

CELEBRATING OUR HOUSEKEEPERS

This year for International Housekeepers Week, The Holiday Inn Express at The Village at River Landing in Wallace celebrated the unsung heroes of hospitality with their first Housekeeping Olympics.

River Landing Director of Lodging Ken Floyd decided to host the fun and interactive event for his staff, celebrating them in a way that also bonded the employees as a group. Each day between September 10 and September 13 the housekeeping staff participated in events such as 'Fast and Furious Bed-Making', 'High-Velocity Squirt Bottle Target Shooting', 'Housekeeping Cart Racing,' and 'Cleaning the John'.

It may seem like all fun and games but it truly is a special week. The work done by the housekeeping staff is essential at every hotel and customer satisfaction is heavily dependent upon the job that they do. Housekeepers are truly the backbone of the hotel and despite the "behind the scenes" aspect of their discipline, and it is obvious to Floyd and his whole team that they deserve

all the respect and attention due.

"We try and recognize our team as much as we possibly can," says Floyd. "They work very hard and put in a lot of effort to ensure our guests have an enjoyable stay." He added, "this week is just a special time every year. It puts the Housekeeping Team on display and really shows them our appreciation for all of their hard work."

While the housekeeping staff did enjoy some fierce competition, Floyd says that the week's events actually brought the staff closer together. "In most of the events, we saw them cheering each other on. They are a very cohesive team and push each other to do their best."

The winners of each day's events were awarded a prize pack as well as bragging rights. After the events, the team enjoyed a catered lunch for all participants, giving housekeepers who may not work the same shift a chance to get to know each other a little better.

ADVENTURE CAMP 2019

As summer comes to an end, I always enjoy reflecting back on River Landing's two Adventure Camps in June and July. This year 100 children were in attendance ranging in age from 4-12 years old. They enjoyed a pirate theme and all the great amenities River Landing has to offer such as swimming, golfing, & tennis as our Professionals brought forth some valuable instructional time and demonstrated how to make each game fun to play.

In addition, we offered educational and exciting programs to the campers through Imagination Station, Ecological Marine Adventures, Mad Science Lab, and NC Wildlife Association, just to name a few. Campers have so much fun they forget they are learning at the same time! Some of the activities included BB & Archery by the River, squid dissection, clay pottery class, learning movie sounds, experiments with science & the ocean, exploring MRAP military vehicles, learning magic, and so much more!!

Camp is filled with excitement throughout the week and since the outdoor pool was still under repairs we were able to incorporate more opportunities for the kids in June such as slipping and sliding, water gun fights, and paint wars...the fun goes on no matter what the circumstance may be! The highlight of each camper's return is seeing the friends and camp leaders they leave behind the year before as they head back home. It is always a bittersweet ending as camp closes and certainly so for those who age out.

Being able to be the Director of the camps at River Landing is a pretty awesome role. I have the opportunity, first and foremost, to watch these children grow each year and to see the smile that comes when they are anticipating what has been planned for the week. I also get to remember what it was like to be a child and become child-like again.

We all need to revisit our inner child from time to time...it's refreshing and you are sure to get a good laugh! The value of camp at River Landing is it all happens right here in the community in which they, their grandparents, or family live. I would have loved to have visited my grandparents and went to camp all in one visit and I encourage everyone to take advantage of this opportunity.

Thank you to all the Members and Property Owners who are always so supportive of Adventure Camp. As always, I want to say a big "thank you" to all the staff that work together each year to insure we have a successful camp! I am looking forward to next year and implementing new and fun adventures! Keep your eyes & ears open for what's to come!

Until next year,
Arrrgh...

Sabrina Lewis, Activities Director

RAISING HOPE.

The 10th annual Hope For The Warriors® tournament took place in August, and this year's events were ones for the books. From the list of celebrities to the addition of new events to the amount of money raised, the staff and volunteers truly went out of their way to make this fundraiser the best ever.

Following Saturday night's unofficial opening - the Mad Boar Block Party, celebrities, flag officers, and sponsors gathered Sunday afternoon for a newly added Par 3 Challenge. Teams were treated to our recently added Par 3 courses for a quick competition before the tournament to follow. Those who participated loved the care-free camaraderie the event offered and are looking forward to participating again next year.

After the Par 3 challenge, everyone gathered on our outdoor pool deck for live music, conversation, and drinks around 6:30 pm. Old friends reunited and new friendships were forged as the evening gave way to the main event: Warrior Night.

In honor of the tenth year, organizers decided to host the traditional Warrior Night mess outdoors under a tent borrowed from the base. The cooler temperatures and light breeze made for a perfect evening and dinner under the stars. The traditional antics ensued early on as one of the servers delivered an "Impossible Burger" from Burger King to Smithfield CEO Ken Sullivan, a result of a fine levied against the pork potentate. After the dinner and toasts, the crowd moved back to the pool deck where

music by Wilmington musician Randy McQuay kept everyone entertained well into the night.

The next morning, the field gathered around the golf patio to claim their carts, eat breakfast, and shop at the Straight Down tents, this year's gift for the golfers which allowed them to pick out their own clothes and have them imprinted with the Hope For The Warriors logo while they played golf, picking their items up later in the day as they came in with their scores. The opening ceremony was especially unique this year as our own residents led the charge in performing our National Anthem. Led by Jan Zoesch, the team performed a beautiful, harmonic, acapella rendition of The Star-Spangled Banner. From there,

How your money restores HOPE to the post-9/11 Warrior Community:

90.1% of every dollar raised goes directly to our virtual and community services

- providing mental and physical health and wellness
- encouraging financial stability and job security
- connecting military families through community events
- access to a powerful network of 100+ partners
- forstnering resiliency in military families today and tomorrow

Flag Officers and celebrities for this year's Hope For The Warriors tournament pose for a photo prior to the start of play.

River Landing Residents singing the National Anthem.

Larry George gave rules and directions before sending the teams off in their respective directions to begin the game.

As they do every year, the Hope For The Warriors team set up games and challenges throughout the course, including the famous AR-15 hole and the liquor bottles practice putting green. All of the games were additional ways to give money to our Warriors, including a karaoke night held in the Mad Boar Pub Monday evening.

Hope For the Warriors is a 501-c-3 nonprofit that originally started at Camp Lejeune when families there noticed the need for post-deployment recovery and re-acclimation to civilian life. To date, the organization has helped over 23,000 warriors and their families and River Landing has helped raise over \$1,250,000 throughout the decade, including over \$250,000 this year alone.

During this year's tournament, the CEO of the organization announced that the River Landing Community would be honored at their annual Got Heart Give Hope Gala in Washington D.C. on October 17, 2019. River Landing will be receiving the Community Impact Award, an accolade which highlights an organization that shares the commitment to long term military/military family care and builds partnerships that ensure a force multiplier effect on those efforts, not just within their organization but to the community that surrounds them.

River Landing's support of Hope For The Warriors has forged friendships that will last a lifetime. We are very thankful for all of the sponsors, celebrities, flag officers, volunteers, and participants who made this year and every year such a success. Our team has already started planning next year's tournament, which will take place on **August 15-17, 2020**. Mark your calendars and make plans to attend!

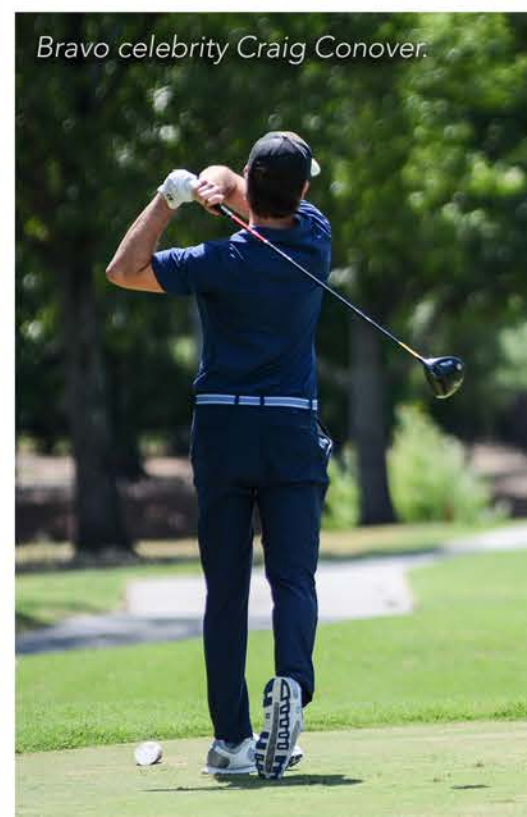

The Warrior Night Mess took place on the basketball courts this year.

Tournament co-host Johnny Bench.

RIVER LANDING TENNIS UPDATE

It may have been a hot and steamy summer, but the tennis at River Landing is back in full force and has renewed life (and brand-new courts) as we all work towards reinventing the place we love.

The picture above is from our Men's round robin play on the evening of July 1st. It's truly an eclectic group of guys who are resourceful and bright with fascinating life stories and a particular love of Tennis and playing together.

The group really knows how to compete and have fun too, and we have the coolest tennis nicknames. Like Happy Feet, Skippy (not peanut butter), Frenchie, Professor Schmee, Mayor Bubba, Dr. Red Corvette, Frankeeee, and who could forget Tommy 2 Knees or Slick Rick.

Sure, sometimes they are crybabies (maybe a future nickname) or they forget the score or even call a ball out that is in (and vice versa, though not as often). But we forgive

and forget (forgetting is easy at this age) and stay friends for another day of Tennis.

We are old men, playing a grand old sport, but with young hearts. On the evening of July 13th, we (Tennis and Pickle Ball crews) held a celebration at the River Lodge, with music by Mr. Energy DJ Adam, dancing, and some of the tastiest food around. (We are seriously considering changing Dr. Red Corvettes name to "Energizer Bunny" after this event).

It was a night to remember and a way to welcome our friends and neighbors back to their homes. We are planning more of these. It was just too much fun!

We are always looking for new players (men and women) at any level to come join our crew. We have a lot of new activities planned for the Fall season (the best season). Come join us. We may even give you a cool tennis nickname too (not Crybaby though, we promise)!

-River Landing Tennis

Creative Quilt Enthusiasts member Sue Bartnick was in Asheville at the time of the show and was able to see 1604 and all of the other entries.

BRINGING HOME THE RIBBON

From September 25 - September 27 the Asheville Quilt Guild hosted the 38th Annual Quilt Show at the WNC Agricultural Center.

The Asheville Quilt Guild is a group of 300+ quilting enthusiasts from around western North Carolina.

This year the Creative Quilt Enthusiasts group from River Landing entered their piece '1604 - Modern Interpretation of Dear Jane' and were

awarded an Honorable Mention ribbon! The quilt was judged on the following categories: Visual Impact, Construction, Borders & Sashing, Quilting Design, Quilting Technique, and Finishing Techniques. 1604 received 4 Very Good ratings and 3 Good ratings.

If you are interested in joining the group just show up at the Fitness Center on the 4th Monday of each month at 10:30am. There is plenty of room for more creative residents!

RIVER LANDING MEMBERS ATTEND RETIREMENT PARTY FOR SUSAN GOODRICH

Pictured (left to right): Robert Steen, Susan Goodrich, Tom DeSanctis, Jack Carver

Recently six River Landing residents attended a retirement party for Susan Goodrich at Camp LeJeune. Susan was director of the Single Marine Program, and was River Landing's point of contact for our Thanksgiving with the Marines events. We all have developed personal friendships with Susan. Bob and Carol Steen started the whole Marine Thanksgiving event here at RL through their involvement with Susan. They coordinated through Sabrina in the early days.
