COMMUNITY DEVELOPMENT EVENTS & UPDATES

MOMENTUM CONTINUES ACROSS RIVER LANDING

This year's Fall River Landing Signature Showcase welcomed 19 couples as we expanded the event to build on the momentum of our Custom Home Program, which relaunched October 2025. Through our continued partnership with Coldwell Banker Sea Coast Advantage, the Showcase offered prospective residents a closer look at our homes, amenities, and community life while exploring their options for making River Landing home.

The event opened with a Thursday night welcome reception at the Clubhouse, featuring good food, live entertainment, and conversations with builders, staff, and resident ambassadors. Having Mr. Dell and Mrs. Wendy Murphy join us made the evening especially meaningful. The relaxed atmosphere gave everyone an opportunity to get acquainted and set a welcoming tone for the days ahead.

Friday began with breakfast at the Sports and Fitness Center and individual meetings with our Custom Home Program featured builders, community staff, real estate team, and Allied Partners. These conversations allowed guests to ask questions about the building process, available properties, and life within the community. Members playing pickleball and enjoying other activities nearby also provided a firsthand glimpse of River Landing's active lifestyle.

Lunch on the lawn and model home tours filled the afternoon, followed by the Fall Bonfire & Hoedown at the River Lodge. After a full day of gathering information and exploring, guests had a chance to unwind and get to know our members in a relaxed setting.

On Saturday, attendees enjoyed their member-for-a-day privileges through golf, pickleball, and other amenities, along with tours of model homes and residents' custom homes. A new addition to the showcase this year was lunch and dinner hosted at two builders' model homes. These gatherings allowed for more personal conversations and gave guests time to appreciate the designs, craftsmanship, and possibilities for their own future homes.

The weekend's success reflected the planning and collaboration of staff across departments, our real estate partners, builders, Allied Partners, and residents. From coordinating activities to opening their homes and sharing their experiences, everyone involved helped provide a thoughtful introduction to the community.

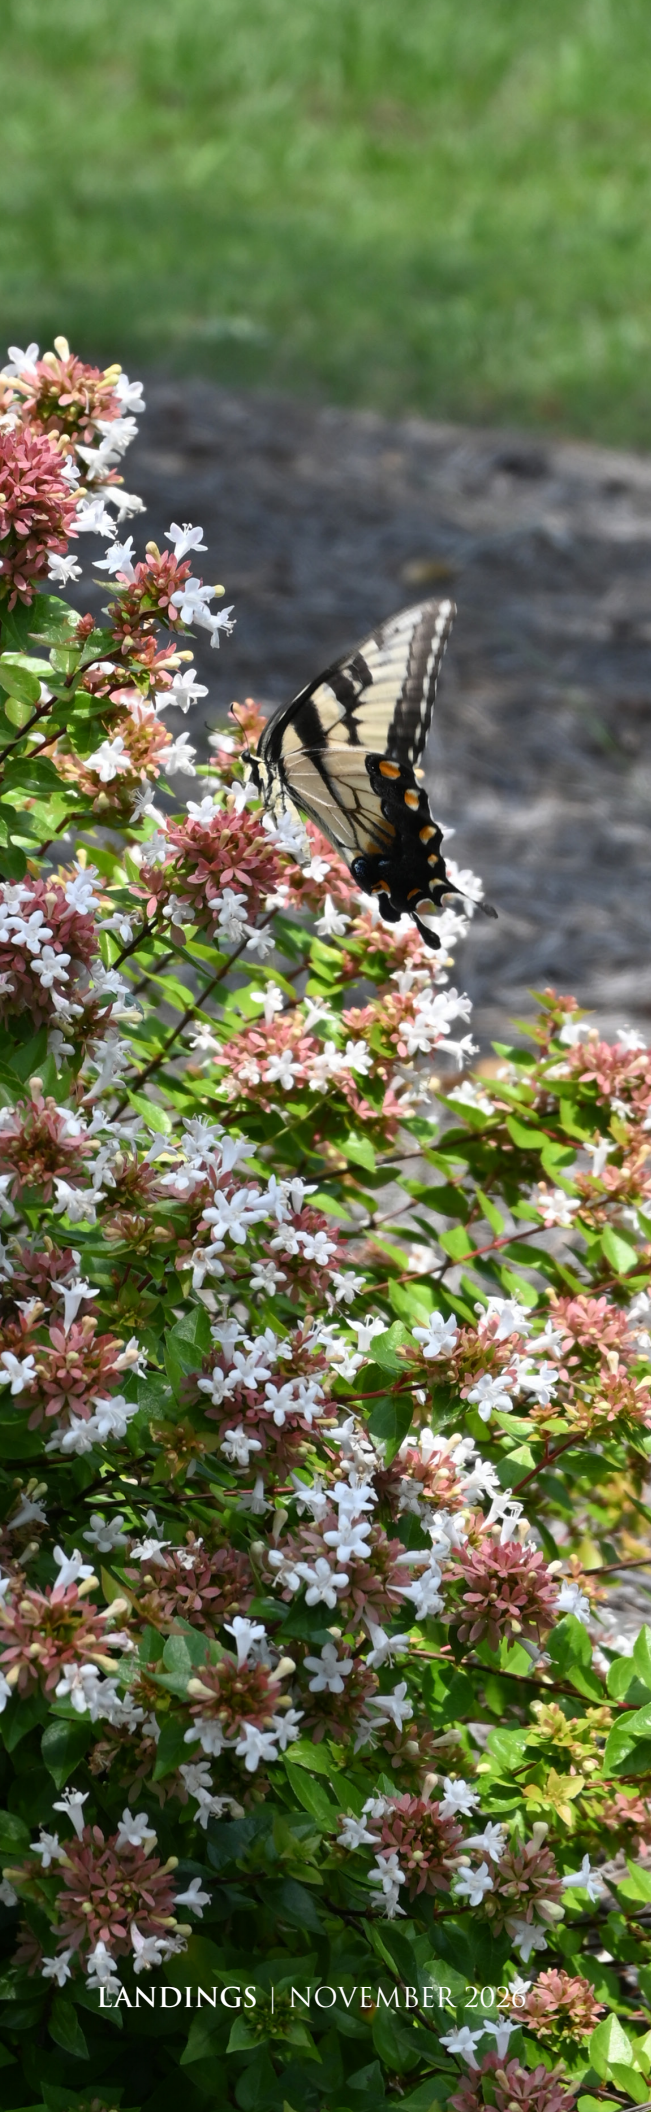

Thank you to all who contributed and to our guests for spending the weekend with us. We look forward to staying connected as they consider their next steps and hope to see many of them bring their dream homes to life at River Landing.

BUILT ON STRONG FOUNDATIONS

Just inside the gates of River Landing, many of you may have noticed the new roof on the old smokehouse that greets everyone who enters the community. While it may seem like a simple improvement, the story behind that roof carries a special meaning.

The tin that now covers this treasured structure was reclaimed from the very house where Mr. Wendell Murphy was born. His childhood home had no electricity and no running water, a humble start to what became an extraordinary legacy. As a young man, Mr. Murphy opened a small feed mill while still working as a schoolteacher. He went on to build his business into what was, at one time, the largest pork production operation in the United States.

That story feels especially fitting to share as River Landing celebrates its 30th anniversary this year. What began as a simple vision of the Murphy family is now a thriving, established community known for its exceptional amenities, beautiful homes, and welcoming spirit. Despite its maturity, River Landing is still as vibrant as ever. New homes are being built, our Custom Home Program is flourishing, and new residents continue to discover what makes this place so special. Like the reclaimed tin on the smokehouse roof, our history remains an important part of who we are, even as we continue building for the future.

Stephanie Durner

Director of Community Operations & Corporate Communications

sdurner@riverlanding.com

Continued from page 9

The smokehouse also features a perfect example of the community spirit that can be found at River Landing. The beautiful fall decorations currently on display are the work of the Residents Gardening Committee - a dedicated group of volunteers who contribute their time and talents to help enhance the appearance of our neighborhood. For nearly 15 years, that effort has been led by committee chair Barbara Kukoski. Under Barbara's leadership, the Gardening Committee has created and maintained the colorful seasonal planters that brighten the pool area and golf patio each summer, as well as the lower deck of the Clubhouse Terrace. Years ago, they took on the awesome task of designing and relocating the Memory Garden from a little-known location to its current home at the River Landing postal facility. They still tend to and maintain this special place that honors residents who have passed away, and that current residents can appreciate every day.

The Gardening Committee's story began with the Clubhouse Circle. Its members came together back in 2011 to help design and install a much-needed landscape renovation. They selected the original plantings, including the three thuja trees that still stand today and, for years, have served as the centerpiece of River Landing's annual tree-lighting celebration. Through it all, Barbara has been at the helm, generously sharing her time, talent, and passion for gardening. In early January, Barbara will return to Connecticut to be closer to family. On behalf of the entire community, I want to express our sincere gratitude, Barbara, for your many years of service. Your contributions will remain a lasting part of the River Landing landscape.

As we reflect on River Landing's first 30 years, it seems fitting that both the smokehouse and the Clubhouse Circle help demonstrate how far we've come. Their stories live on not only in the actual places themselves, but also in the artwork of former resident Fred Hoerauf, whose original paintings hang on the wall inside the Fitness Center. One captures the smokehouse blanketed in snow, while the other depicts the original vision for the Clubhouse Circle before a single plant was placed in the ground. Together, they serve as lasting reminders that the community we enjoy today was built through vision, hard work, and the dedication of people who were committed to creating something special and leaving something better behind.

Those are foundations worth celebrating.

THE BRADFORD PEAR'S TIME HAS PASSED

Over the past several weeks I have seen multiple comments online about the removal of the Bradford Pear trees along the entrance and exits on I-40. Yes, finally a good decision by our NCDOT. A couple of years ago I was entering onto I-40 from Hwy 41 and the total road was blocked by tree limbs that had just broken off. A highway patrolman was trying to move the branches but needed help. Using my trusty handsaw, I cut the blockage in half to make it more manageable for us to move the debris to the side of the road and clear a passage. We both thought it was time for these trees to go before they became more of a hazard.

These trees have poor limb structure which means they do not support long-term growth away from the tree trunk. The grain doesn't allow for strength in being able to hold the limb. They were considered 20 year trees when I was in college and that is about the time these were planted along I-40

The NC Bradford Pear Bounty is a free "remove-and-replace" program where North Carolina residents can get up to five native trees for each invasive Bradford Pear they remove, but only by attending a scheduled event and providing proof of removal.

Chris Randall

Landscape Management Coordinator

crandall@riverlanding.com

Bradford Pears (Callery pear cultivars) are ornamental but invasive in North Carolina. They outcompete native trees, spread into natural areas, produce long thorns, break easily in storms, and have a distinctive "rotten fish" scent from their blooms. Replacing them with Native trees is the answer.

From my experience, if you have ever smelled one you wouldn't want that anywhere near your residence. It is thought to be pollenated by house flies which gives it the unique smell.

So, any of you folks who wish to keep these in your neighborhood or residence, go for it. Next spring go out and get a big handful of blooms and put them into a vase and put that on your dining room table. They look so beautiful.

SPICE RACK

Firing Things Up in the Kitchen!

It has been a very busy and ever-growing year thus far. The staff has stepped up to the plate and delivered some home runs such as Italian Night, French Dip Thursday, Prime Rib, Sunday Brunch and, of course, regular dining. We will have a new Berkshire Grill menu coming soon with some fresh exciting items.

The dining staff has been learning new Lakeview menus, and keeping up great service, new wine menus, and training steps of service with Susan. Our food runners and bussers are the best I have seen since I have been here. They are always helping wherever they are needed. It is nice to have the BEST Front of the House at River Landing.

Banquets are in full swing for the holidays. The banquet staff, both front and back of house, are GREAT at every event, consistently attending to every last detail. It is nice to see every department in unison each day to serve the membership and their guests. It brings great pride and builds morale for the team. It really does feel like family……

See you at the Club!

Meet the Staff

This time, our staff spotlight features an entire group: the food runners and bussers at the Club. Leah Wells, Zoe Powell, Shaila Mejia, Nahela Hervera, Hallington Ochoa, Madelyn Escobar. They are in school and all work very well together. Leah, I have seen her working doubles and still with her smile. Zoe, a little quiet and works hard. Shaila, works well, great at organizing and making sure everything is set up and ready and is now training as a server. Nahela, always on time and ready to go. Hallington, he is solid, works hard, has a great attitude and helps everyone out.

To give some understanding on training, look at some of our dining staff: Jocelyn, Carlos, Madelyn, and Shaila. All were food runners and bussers. They move from that position to hostess, then on to a server. They get an understanding of the seat positions, types of plated food, quality of food, and delivering great service by remembering members' names and attending to the little details that make a difference. It all plays a part in the system of service and hospitality. They are all incredible kids and are doing wonderfully at the club.

THE SEASON FOR THANKSGIVING

LARRY GEORGE

Director of Hospitality & Club Operations

lgeorge@riverlanding.com

As we celebrate 30 years of River Landing, gratitude has been on my mind, and I would like to begin by simply saying thank you as we have so much to be thankful for this season.

First and foremost, I thank my Lord and Savior, Jesus Christ. Without Him, I would not be here at River Landing. Second, I thank the Murphy family. Without their vision and commitment, River Landing would not exist. Third, I thank every River Landing member, past and present. You are what makes River Landing such a special place. The countless ways our community members volunteer, support and care for others strengthen this community every day. Lastly, I want to thank our Murphy Family Ventures and River Landing family. Without your dedication and hard work, none of us could do what we do. I know I certainly couldn't do my job without the many contributions each and every one of you make on a daily basis.

Continued from page 23

As you gather with family and friends this Thanksgiving season, I encourage you to pause and reflect on the many blessings we enjoy because of the people who make River Landing what it is. This remarkable community is built on generosity, service, friendship, and commitment.

When you stop to consider everything these individuals do every day, it becomes much easier to focus on gratitude. Our lives are not perfect, weather may disrupt a tournament, people may be rude or selfish, and disappointments happen. These things are a part of life; however, instead of focusing on the negatives, let's focus on what we can improve and when we cannot change something, let's choose gratitude instead. A grateful heart changes not only your own life but also the lives of those around you.

One of my mother's favorite bible verses was Ephesians 4:31. "Let all bitterness and wrath and anger and clamor and slander be put away from you with all malice." May we all carry that spirit with us, not only during Thanksgiving, but throughout the entire year.

RIVER LANDING CLUB DECORUM

Every member should have received a copy of the Membership Plan, including the Club Rules & Regulations. Over the past several months, I have had conversations with members who were simply unaware of certain policies that have been brought to the attention of the Advisory Board of Governors. My goal is not to restrict our membership, but to educate everyone so we can avoid misunderstandings and ensure that River Landing remains a safe, enjoyable, and welcoming place for all. Please keep the following in mind:

- Members must register themselves and all guests upon entering the pool area.
- The River Landing Outdoor Pool is a family-friendly pool, thong-style swimwear is prohibited.
- Glass containers are prohibited at the Outdoor Pool in accordance with NC State Law.
- Abuse-whether verbal or otherwise-toward Club employees will not be tolerated. If you have a concern, please bring it to the attention of the employee's manager so it can be addressed appropriately.
- Members should carry their membership card while using Club facilities. This will help gain access to certain Club facilities as well as make sure your member charges are correct.
- A member may have no more than four guests use the Club's facilities at any one time without the approval of Club Management.
- Adult supervision for children under the age of 16 is required at the Clubhouse, Tennis Courts, Golf Course (unless approved by the golf professional staff), Fitness Center, Outdoor Pool.
- In the best interest of the entire membership, we ask all members to cancel their tee times 72 hours in advance. This provides more tee time options for our members who choose to book closer to their desired date. If you have trouble, please contact the Golf Shop to adjust.
- River Landing Sports Club is separate from the River Landing residential community. The Sports Club includes our two championship golf courses, practice facilities, Clubhouse, Fitness Center, heated Outdoor Pool, pickleball and tennis courts, and other recreational amenities. Rather, they exist to provide guidance for members and staff alike, ensuring that River Landing remains a safe, respectful, and enjoyable community for everyone.

GOLF SHOP SALE & CREDIT BOOKS

MARSHALL STOTT

Head Golf Professional

mstott@riverlanding.com

I truly hope everyone is enjoying this fall weather! I love the cooler temperatures because for me it is one of the best times of the year to enjoy our golf courses. Also, it is the beginning of the holiday season which honestly is my favorite time of year! Spending time with family and seeing old friends is always special. This time of year brings members into the shop looking for thoughtful holiday gifts or picking up that last-second gift you may have forgotten.

This year don't forget to spend those credit book winnings you have! In years past we have not required members to spend their credit books by the end of the year. **This year your credit books will need to be spent by December 31st**. This helps you utilize the winnings you have won over the year and buy something you might need. It could be clothes, clubs, shoes, balls, gloves, hats or maybe something that you have seen from one of our vendors. We can help you find just about anything you might need, and even in some cases it doesn't necessarily have to be golf related. Most companies now have lifestyle items that you can buy, and we just might have them in the shop. Stop in and let us help you find something! Also keep in mind that if you want to special order an item, especially with the club logo, you will need to order that before the first of December. Just to make sure it is here in time for Christmas.

We will be having our annual **Christmas sale** on **December 1st from 6:00 PM to 8:00 PM**. As always, we will have some great deals on the items inside the golf shop for you that night. We will also provide gift wrapping to help you get ready for the holidays!

MEMBER & 3

Well, we can't control the weather, but dang it was a gorgeous weekend for Member & 3! That's pretty good right there, what we hoped the last weekend in September would be like, looking for more of the same the next month or so.

We took 6 teams to a true alternate shot three hole playoff. Each hole was pretty close, eventually the Billy Graves Team squared off against the Eric Edwards Team on the 18th hole of the River. And with a solid drive in the fairway, a tricky fairway shot dead into the wind, and about a thirty foot putt that fell right in the heart, the Eric Edwards Team made birdie and are your overall 2026 Champions! Congrats to them, to all the Flight winners from 1st place to third, and really to the entire field for a blast of a weekend here at RL!

HOPE FOR THE WARRIORS

A Community United in Hope

River Landing Celebrates Another Successful Hope For The Warriors Celebrity Invitational

Each year, the Hope For The Warriors Celebrity Invitational brings something truly special to River Landing. Beyond the golf, special guests, and festivities, the event serves as a powerful reminder of what can be accomplished when a community comes together in support of a meaningful cause.

From August 29–31, River Landing proudly welcomed veterans, active-duty service members, military leaders, celebrities, and supporters for the 17th Annual Hope For The Warriors Celebrity Invitational. The weekend was filled with fellowship, appreciation, and a shared commitment to honoring those who have served our country.

Thanks to the generosity of sponsors, donors, participants, and supporters, this year's Invitational raised more than $240,000, with additional corporate commitments still pending at the time of the initial report. These funds will support the mission of Hope For The Warriors, an organization dedicated to assisting service members, veterans, and military families through programs focused on health and wellness, financial stability, and community connections.

While the fundraising success is an accomplishment worth celebrating, the true heart of the Invitational is the people who make it possible.

For more than a decade, River Landing residents, members, volunteers, and staff have embraced this event, contributing their time, resources, and talents to create an experience that extends far beyond the golf course. From the preparation leading up to the event to the countless acts of hospitality throughout the weekend, their dedication reflects the generosity and welcoming spirit that define the River Landing community.

Continued from page 30

This commitment has not gone unnoticed. Following the event, Hope For The Warriors expressed heartfelt appreciation for the continued partnership, recognizing the extraordinary support and warm welcome the organization receives from the River Landing community year after year.

We are incredibly proud to be part of a community that not only opens its doors to this important cause but wholeheartedly embraces the people and purpose behind it.

To everyone who donated, sponsored, volunteered, participated, or helped make this year's Invitational possible, thank you. Your kindness and generosity continue to make a meaningful impact in the lives of those who have sacrificed so much for our country. Together, we are making a difference, and that is something our entire River Landing family can be proud of.

RIVER LANDING GOLF ASSOCIATION FOR LADIES

RLGALS 2026 SEASON

As President of the River Landing Golf Association for Ladies (RLGALS) for 2026, I want to thank the members for their support this year and look forward to the remaining time in this post. It is hard to believe we are reaching the end of our season, but here's what our members have been up to so far this year.

RLGALS FINISH STRONG IN COASTAL CAROLINA INTERCLUB

After spending a few months at the bottom of the pack, River Landing had some excellent matches and then a great finish at Cape Fear National in September to pull us into fourth place overall. For "Interclub", RLGALS fields a team of 8 players for each match that takes place at beautiful courses in and around Wilmington. Meg Petersen was Captain in 2025 and the overall League Chairperson for 2026. We welcome Terrie Fritz as River Landing captain in 2027 and will not need to be League Chair again until 2033.

The following players participated in Interclub this year: Sue Carver, Stephanie Cooper, Terrie Fritz, Carol Mann, Elaine Masinick, Cheryl Nichols, Margaret Overby, London Owen, Meg Petersen, Liz Peterson, Pam Reinhardt, Carol Romanet, Kathy Russell, Cheryl Stamp, Janice Wilson, Suzie Zalar, Jan Zoesch. We look forward to more ladies joining this fun travel team in 2027!

MAUREEN GOODWIN
2026 RLGALS President

HOLES-IN-ONE

On July 1st, Maureen McCarthy had an ace on the Landing Course's hole #5 from 108 yards with a seven iron. Maureen's ace was witnessed by John McCarthy as well as Charlie & Margaret Overby. Then, on August 12th Sally Weston scored her ace on the same hole and same course. Teammates Julie Tremaine and Lora Albanese witnessed Sally's ace. As Sally said so aptly that day: "not bad for an 86-year-old!"

MATCH PLAY

Our Match Play Awards Ceremony was held on September 29th, and everyone had a wonderful time celebrating another great season of Match Play!

9-Hole Flight – First Place: Cory Briley & Katrina Allan

18-Hole Flight 2 – First Place: Terrie Fritz and Liz Peterson

18-Hole Flight 1 – First Place: Cathy Harless & Meg Petersen

Congratulations to all our winners and thank you to everyone who participated and helped make the Match Play season such a success.

NINE & WINE

The final Nine and Wine of the season was held on Monday, October 19th. The early evening nine-hole Scramble Tournament included 26 players on the River Course. Following golf, the players enjoyed a relaxing time on the Clubhouse Terrace with friends.

PLANNING UNDERWAY FOR 2027 LADIES INVITATIONAL

The Invitational continues to be our premiere member-guest event for the ladies -- it is a fun and popular tournament that hosts golfers from over 10 different states and 25 different golf clubs.

Next year's event will be on May 19th-20th. Weather permitting the dinner party will be at the River Lodge and all RLGALS members will be invited. Meg Petersen has led this event for 5 years and is currently transitioning the leadership to Alisa Drum and Margaret Overby. Julie Couch will once again coordinate our volunteers and Pam Reinhardt will organize our on-course bars. Anna Fitzpatrick is leading up decorations and Terrie Fritz and Liz Peterson will coordinate our menus. Thank you to all the volunteers that make this yearly event wonderful and memorable. The theme for 2027 is:
"Rock and Roll at River Landing."

CLINICS AND PLAY WITH THE PRO EVENTS

This year we had 4 Players' Clinics with the River Landing Pros. These clinics were combined for 9-Hole and 18-Hole participants. The players submitted requests prior to each of the clinics and the Pros presented fun and interesting ways to work on the varied selected skills for each of the clinics. About 10-15 players participated in each of the clinics with either 2 or 3 Pros on site. The time with the Pros was informative and fun.

Another offering from our Pros was a "Play with the Pro" day. Individual Pros offered 2 days with 18-hole players as well as 2 days with 9- hole players. This was an offering for three players to go out with a Pro for a relaxing, informative, and fun 9 holes of golf. While not a lesson format, players found it a great way to see "how the Pros" do it and pick up a few hints along the way.

MID-SEASON SCRAMBLE

RLGALS 2026 combined mid-season scramble was attended by 18- and 9-hole golfers on Wednesday, September 2, 2026. There were 32 players who signed up for this event. We had three places for flight winners: Cheryl Stamp, Eilish Hourihan, Annette Ellison, and Sharon Himsworth won 1st place; Kathy Russell, Elaine Frater, Kimberly Butler, and Barb Jaco won 2nd place; and Sue Carver, Lynda Goodman, Susan Kerig, and Sally Weston won 3rd place. We also included two closest to pin contests in which the following were winners: Hole 5 was Lisa Steinkamp and Hole 16 was Terrie Fritz. The ladies enjoyed a great lunch provided by the banquet staff of three kinds of deli sandwiches, a pasta salad, chips and cookies. Everyone enjoyed the festivities.

RLGALS FALL GENERAL MEETING

The Fall General Meeting was held on October 20, 2026, at the River Landing Fitness Center. The meeting was well attended. Old business included approval of the minutes from the February General Meeting which had been sent electronically by Secretary Sue Carver to all members. The minutes were approved by voice vote. Karen Lutze, Treasurer, then gave a report on the budget, a copy of which is available on the RLGALS website. Important to note that monies donated thus far this year to the Feed Our Hungry Children Backpack Program totaled $520.00. These monies came from Mulligans purchased by the members prior to our golf tournaments. The ladies were also reminded to clear their winnings in their Pro Shop accounts by December 31,2026.

New Agenda Items included a report from Lynda Goodman who was representing the Nominating Committee. Lynda presented the following slate of officers and other positions for the 2027 Season:

Vice President, Bonnie Elder
Secretary, Peggy Landrum
18-Hole Tournament Co-Chair, Terrie Fritz
9-Hole Tournament Co-Chair Kimberly Butler

This slate will be voted on at the Closing Day Luncheon/Meeting on Saturday, November 14 – they will join Elaine Frater as the incoming President in 2027.

Continued from page 34

Next item was a vote on the Executive Board's proposals to two revisions of the By-Laws of the River Landing Golf Association for Ladies under Article III Membership. These proposals were announced two weeks prior to the meeting and posted on the RLGALS Bulletin Board in the Ladies Locker Room. After answering members' questions, and a brief discussion period, the membership voted affirmatively to approve these proposals.

The By-Laws now read as follows:
All women members 18 years and older in good standing in the River Landing Golf Club will be allowed membership in this organization. RLGALS membership has three categories: a 9-hole group, an 18-hole group and a 19th-Hole Group. All members may play in competitions in both the 9 and 18-hole group.

The final item on the agenda was information about our Closing Day & Luncheon following our golf tournament on November 14, 2026. A sign-up sheet for lunch is now available in the Ladies Locker Room. Lunch sign-up is independent from golf sign-up, which will come from Jeff Hale.

19TH HOLE MEMBERS UPDATE

The 19th-Holers (formerly known as the RLGALS Social Members) is an active group of ladies looking to have fun and give back to the community. We currently have twenty-nine active members. It is a wonderful way for new and old members to make new acquaintances or reinforce current relationships. We enjoyed many activities this year, including luncheons, bird watching, flower arranging, and assisting with tournaments. Upcoming events include a holiday luncheon and bow making. We invite all River Landing members to find their passion and join this wonderful group of ladies.

SWING FOR A CURE

DRIVING OUT CANCER — ONE SWING, ONE BALL, ONE RAFFLE TICKET AT A TIME.

This annual fundraiser supports cancer research and patient care at ECU Health Duplin Hospital. What began as a fun Ladies Play Day 24 years ago has grown into a much-anticipated River Landing tradition filled with golf, games, prizes, and friendship. More than that is the shared commitment to making a difference for families affected by cancer. This year's Swing for a Cure featured the annual golf tournament, hole sponsorships, a Quilt Raffle and an exciting new-tech Drone Golf Ball Drop. Despite rainy, windy conditions, the golf tournament continued as planned. Following golf, all players enjoyed a delicious lunch, and door prizes were handed out to the winners.

Thanks to our Golf Pro Paul Dickens (and his partner, "The Good Lord"), who painted a large pink breast cancer ribbon with the year 2026 below it, out on the River Course's 14th fairway--the intended target for the Drone Ball Drop. Unfortunately, due to the weather conditions, the long-awaited Ball Drop was cancelled. However, Paul improvised and put all the golf balls into the year "2026". Then, RLGALS President, Maureen Goodwin, selected the three winning balls using a ball retriever. The first, second, and third place winners were, James Boyle, Chad Watkins, and Jonathan Fussell, respectively. This event generated $2,200 in sales slated to go directly to ECU…then all three winners generously donated their winnings back to the cause for a total of $4,400!

Our quilting group once again created an amazing handmade quilt as a tribute to our country's 250th Birthday. Designed especially for this event, this one-of-a-kind quilt honors our country while helping support the important work of Swing for a Cure. Raffle tickets sold by the ladies raised a total of $1,770 and the lucky winner was River Landing resident, Steve Stowe. The winners of two donated bottles of the American made Penelope Bourbon were Pete DeVita and Charlie Swetits—total generated by this raffle sale was $445. The "Duck Derby" generated $973. Businesses and patrons who sponsored holes on the course were honored with signage displayed in the Clubhouse.

Over the past years, RLGALS members, volunteers, sponsors, and participants have raised over $300,000 for cancer related programs and research. $140,000 has been invested in the UNC Health Foundation to benefit UNC Lineberger Comprehensive Cancer Center for Breast Cancer Research. The balance has been donated to ECU Cancer Research and Treatment. The Swing for a Cure Committee is in the process of calculating the grand total for this event, but they are confident that this year's total will exceed last year's donations of $36,600 to benefit the ECU Health Duplin Hospital. Check out the next issue of Landings for the final count.

RLGALS is proud to host an event that is about much more than golf--It is about friendship, community, hope, and caring. A heartfelt thank you goes out to everyone who has participated, volunteered, donated, sponsored, or supported Swing for a Cure. Together, we are all helping to drive out cancer - one swing, one ball, one raffle ticket at a time.

FOURTH OF JULY

250th Anniversary Celebration

Our July 4th Cookout was a great time by the pool! Members and guests enjoyed beautiful summer weather, great food, swimming, and dancing along to DJ tunes. It was the perfect setting to celebrate 250 years of America's freedom with family, friends, and plenty of red, white, and blue. Another wonderful day of fun and fellowship within River Landing.

LABOR DAY COOKOUT

Wrapping Up Summer

Beautiful weather, great food, and good company made our Labor Day Pool Cookout the perfect way to wrap up the summer season! Members and guests of all ages enjoyed an afternoon of swimming, dancing, dining, and socializing with friends. A special highlight was our Dance Cardio ladies taking the spotlight with a fun performance to Dancing Queen! It was a wonderful day filled with laughter and lasting memories as we said goodbye to another great pool season at River Landing.

LEANNE MORGAN SHOW

Ladies Evening Out

Eighteen River Landing ladies enjoyed a fun-filled outing to Myrtle Beach for an evening with comedian Leanne Morgan at the Alabama Theatre. The day included shopping at Barefoot Landing, dinner with friends, and plenty of laughs during a show full of relatable humor about life, marriage, and family. With ladies of all ages joining in on the fun, it was a wonderful opportunity to enjoy time together, make new memories, and share a few good laughs along the way!

FALL BONFIRE & HOEDOWN

Welcoming the Fall Season

Our Fall Bonfire Hoedown was another big hit this year! It was the perfect evening to welcome the fall season with Members, families, and friends gathered along the river at the River Lodge. We enjoyed live bluegrass music by the Folkstone Stringband, delicious BBQ and chicken, and a little apple cobbler to top it all off!

There was something for everyone, from hayrides, pumpkin art, face painting, and cornhole, to a cozy bonfire and a smaller fire just for roasting s'mores. The kids even got into the spirit by coming dressed in their Halloween costumes!

With great music, good food, and plenty of fall fun, it was an evening to remember. Thank you to everyone who came out and helped us kick off the fall season!

CANDY CLUSTER TRAIL

Happy Halloween

Our Halloween Candy Cluster Trail was a huge success! Children of River Landing enjoyed trick-or-treating through the Candlewood and Red Fox Run communities, with a special Candy Cluster Trail connecting the two neighborhoods. This gave residents from all around River Landing a chance to join in the fun by setting up a golf cart or candy table along the way and handing out treats.

From spooky to silly, the Halloween costumes did not disappoint! The kids went home with overflowing buckets of candy, while the adults enjoyed plenty of laughter, smiles, and time together. It's always so much fun to see the young life running around River Landing and our neighbors coming together to make special memories. A little Halloween magic and a whole lot of community spirit!
